Write Middle/Olympic/Sprint on your checklist and save that format's current map.

For Olympic/Sprint, remove prohibited handlebar extensions; for Middle, confirm non-drafting equipment rules.

Keep a space for the final wave and check-in window; no verified 2026 clock timetable is published here.

Use the current official TriExpo access guidance, then check transit bicycle rules before transporting your bike.

Have supporters select the map for your format and agree an accessible meeting place after the finish.

Middle is non-drafting and mountain bikes are prohibited.

Olympic and Sprint permit drafting and mountain bikes but prohibit handlebar extensions and horns.

The organiser announced Olympic sold out on 1 September. Check each other format directly; a registration link does not confirm available places.

WHAT STILL NEEDS A CHECK

- The homepage's athlete guide points to a 2025 PDF. No 2025 deadline is carried into this 2026 hub.
- Middle bike text calls the layout three laps while describing two N-II loops plus linking travel. Exact lap-count instructions need the final guide.
