A personal calculation

Departure = target arrival minus journey, final walk and extra margin. A personal plan does not reserve check-in access or change an official deadline.

Current timetable still pending

No current start or check-in timetable is verified in this dataset. Use the personal fields on the front only after confirming your allocation with the organiser.

The organiser announced Olympic sold out on 1 September. Check each other format directly; a registration link does not confirm available places.

WHAT STILL NEEDS A CHECK

- The official 2026 programme has not supplied a clock timetable; registration and race waves are pending.
- The homepage's athlete guide points to a 2025 PDF. No 2025 deadline is carried into this 2026 hub.
