My extra kit

Collect your race pack personally on Thursday or Friday with ID, QR and licence evidence.

Plan Friday's bike/bag check-in; put the helmet in blue and run kit in orange.

Record your provisional age-group wave; 09:00 is the PRO men's start.

Count two swim laps, two bike laps and four run laps plus the initial run link.

Study the map before recon: some race-road sections run against normal traffic direction, so use legal alternatives before closure.

Personal bib collection requires photo ID, active registration QR and federation licence unless a one-day licence was purchased.

No race-morning bike check-in. Bring numbered blue/orange bags, bike, helmet and athlete wristband on Friday.

No drafting. Watch the current age-group video briefing when it is released; the guide calls it essential.

The official 2026 homepage says sold out.

WHAT STILL NEEDS A CHECK

- The 2026 guide specifies 87 km cycling; the homepage and course page still advertise 90 km.
- The guide and programme close bike collection at 19:00; an older page says 20:00. Plan around 19:00 and reconfirm.
- Start-wave times are provisional. The guide's swim cut-off duration explanation is inconsistent with the clock timetable; use the 10:35 closure and confirm with officials.
- The linked GPX retains 2025 names. Its use is supported by the 2026 guide, but its internal labels do not prove a newly surveyed 2026 route.
- The older general website map contains 2019 labels. Only the new map linked in the 2026 guide supplies venue pins here.
