WHAT STILL NEEDS A CHECK

- The 2026 guide specifies 87 km cycling; the homepage and course page still advertise 90 km.
- The guide and programme close bike collection at 19:00; an older page says 20:00. Plan around 19:00 and reconfirm.
- Start-wave times are provisional. The guide's swim cut-off duration explanation is inconsistent with the clock timetable; use the 10:35 closure and confirm with officials.
- The linked GPX retains 2025 names. Its use is supported by the 2026 guide, but its internal labels do not prove a newly surveyed 2026 route.
- The older general website map contains 2019 labels. Only the new map linked in the 2026 guide supplies venue pins here.
