WHAT STILL NEEDS A CHECK

- Current schedule and venue map agree on Palmeral de las Sorpresas finish; older introductory text says Calle Larios.
- The official venue map has two swim-start markers in different layers. A single exact swim-start pin is not certified here.
- IRONMAN's published terms restrict deep links and cached content. Its own guide and GPX addresses are research records, not permitted public download buttons; no local IRONMAN GPX is published.
