A race venue is not a parking promise. Check current road restrictions, legal parking and your final walk. These are your estimates, not live routing.

Gran-Garbí beach area overview; confirm race entrances

Where no confirmed navigation pin is supplied, the QR opens an official reference or permitted organiser navigation. It does not identify an exact entrance.

WHAT STILL NEEDS A CHECK

- The municipal 2026 traffic notice retains old dates in some parking paragraphs; reconfirm these restrictions.
- Exact registration and transition-entrance coordinates were not confirmed independently. The map shows AEMET's official Gran-Garbí beach reference point for area context; it does not identify a race entrance.
