A race venue is not a parking promise. Check current road restrictions, legal parking and your final walk. These are your estimates, not live routing.

Where no confirmed navigation pin is supplied, the QR opens an official reference or permitted organiser navigation. It does not identify an exact entrance.

WHAT STILL NEEDS A CHECK

- Older course pages retain 2025 headings and 2023 KMZ files. The programme links a 2025 road PDF despite its 2026 label; use the separately verified 24 October 2026 road plan. Exact venue entrances and parking remain unverified.
